PREFACE

The "consolidated index of Congressional documents" for the first session of the Sixty-third Congress and the special session of the Senate, herewith presented, is the twentieth in the series prepared in the Office of the Superintendent of Documents in compliance with the requirements of the printing law of January 12, 1895.

The reports and documents included in this index number 768, divided as follows: Senate reports, 133; House reports, 92; Senate documents, 6 (special session of Senate) and 246 (first session); House documents, 291.

Serial number 6508 is assigned to the Senate Journal and number 6509 to the House Journal of the first session of the Sixty-third Congress. No serial number is reserved for the Journal of the special session of the Senate as the proceedings for that session are included in the Senate Journal of the Sixty-second Congress, third session, serial number 6328.

Senate document 1, Sixty-third Congress, first session, Congressional directory, is omitted from the set of bound volumes as the "usual number" was not printed. Beginning with the second session of the Sixty-third Congress the Congressional directory will not be a numbered document in the Congressional series.

The following change in the schedule of volumes of the third session of the Sixty-second Congress should be noted: House document 1491, Laws of the United States relating to the improvement of rivers and harbors from August 11, 1790, to March 4, 1913, has been issued in 3 volumes. There will therefore be 3 parts of volume 30 of the House documents, with serial numbers 6396, vol. 1, 6396, vol. 2, and 6396, vol. 3, respectively.

JOSIAH H. BRINKER,
Superintendent of Documents.
